Data Confirmation

Mark Twain families will use the Aeries Parent Portal to complete the required school forms. All district forms are now available in the Parent Portal. If you have not yet created a Parent Portal account, please do so ASAP. Once the Data Confirmation process is complete, you will be prompted to print the Student Emergency Card. Please print the emergency card which requires a parent and student signature and upload the required document in step 7 of Data Confirmation. If you DO NOT have the required verification code to create an account, please contact the school for assistance. Thank you!
